Inspection and Testing of Fire Alarm Systems

(Updated Exams Release Date: October 7, 2024)

Level I Selected General References

Candidates are permitted to bring only the following references into the test center:

Title	Edition*
1NFPA 72	2022

*The test questions are based on the standard editions listed above; therefore, candidates are strongly urged to bring these editions to the exam. Note: candidates may bring older or newer editions—instead of the editions listed above—at their own risk.

Note: An NFPA Handbook will NOT be accepted as a substitute for any of the titles listed above.

Note: References must be bound or secured in a three-ring binder with a title page. They may have highlighted text and self-adhesive index tabs or dividers, however they <u>must be permanently attached</u>. No other additions or modifications to the references are allowed. <u>Handwritten notes are NOT permitted.</u> References with loose paper or pages and freestanding tabs (e.g., repositionable sticky notes/tabs of any kind) are not permitted into the testing centers.

_____

During the exam, the following titles will be available to candidates on-screen:

Title

NFPA 72 (2022): National Fire Alarm and Signaling Code, National Fire Protection Association (NFPA)

*Test questions are based on the edition listed above. This edition will be available to candidates during the exam in PDF format.
