Inspection and Testing of Fire Alarm Systems

(Updated Exams Release Date: October 7, 2024)

Level I Selected General References

Candidates are permitted to bring only the following references into the test center:

Title	Edition*
1NFPA 72	2022

*The test questions are based on the standard editions listed above; therefore, candidates are strongly urged to bring these editions to the exam. Note: candidates may bring older or newer editions—instead of the editions listed above—at their own risk.

Note: An NFPA Handbook will NOT be accepted as a substitute for any of the titles listed above.

Note: References must be bound or secured in a three-ring binder with a title page. They may have highlighted text and self-adhesive index tabs or dividers, however they must be permanently attached. No other additions or modifications to the references are allowed. Handwritten notes are NOT permitted. References with loose paper or pages and freestanding tabs (e.g., repositionable sticky notes/tabs of any kind) are not permitted into the testing centers.

_____

During the exam, the following titles will be available to candidates on-screen:

Title

NFPA 72 (2022): National Fire Alarm and Signaling Code, National Fire Protection Association (NFPA)

*Test questions are based on the edition listed above. This edition will be available to candidates during the exam in PDF format.
